## This week at Ellowes Hall

**THEME OF NEXT WEEK:** Happiness and Fulfilment  
**HERO:** Tessa Thompson **SONG OF NEXT WEEK:** Imagine  
 by John Lennon **CAREER OF THE WEEK:** Actor.

### Headteacher's Introduction

This week has seen the start of our standards and behaviour reset following the departure of Year 11, who we hope to welcome back in a few weeks for their Graduation Celebration and Prom. While it may feel as though the academic year is drawing to a close, there are still four important weeks remaining, and as a school we are determined to maintain our momentum and make the most of every learning opportunity available to our students.

This week, all Year 7 students participated in a two-hour revision workshop designed to equip them with a range of effective revision techniques and examination strategies. Staff worked hard to make the sessions both informative and engaging, with a variety of activities and opportunities to win prizes throughout the event. Their end-of-year assessments begin in earnest on Monday and continue throughout the week, culminating in PE assessments on Friday, when all Year 7 students may attend school in their PE kit. We wish every student the very best of luck and look forward to sharing the outcomes of these assessments with parents and carers during the final week of term.

There is now just one week remaining before Year 10 begin their second set of mock examinations. These assessments provide an important opportunity for students and staff to measure progress, identify strengths and pinpoint areas for further development before entering their final year. Following the mock examinations and subsequent Work Experience week, we hope to provide students and parents with detailed feedback and results towards the end of term. The number of assessments taking place across the school highlights just how busy and purposeful this final half-term continues to be as we strive to support every student in achieving their potential. Next week also sees our Year 9 students undertake their Duke of Edinburgh Bronze Expedition. Following the success of the Year 10 expedition earlier this term, I am sure that Year 9 will rise to the challenge and represent the school brilliantly. Fortunately, the weather forecast appears far more favourable than that experienced by our Year 10 students, who had to contend with significant rainfall throughout their expedition.

While sunshine will certainly be welcomed, students will need to remember plenty of sunscreen and water as they complete this exciting challenge.

As always, there have been many events, fixtures and enrichment opportunities taking place this week. One event that received particularly positive feedback was the Inspiring Future Careers Event at Wolverhampton Racecourse, where our Year 9 students had the opportunity to engage with employers and learn more about a wide range of future career pathways. Experiences such as these play an important role in helping our young people broaden their horizons and begin thinking about the exciting opportunities that await them beyond school.

I would also like to draw everyone's attention to the attendance initiatives currently taking place. We want all students to finish the year strongly and recognise the importance of attending school every day. Many students with attendance above 95%, including those who have maintained 100% attendance, are already in line for a range of rewards and prizes. However, we have widened the opportunities available so that every student has the chance to be involved in our final attendance drive. There are weekly rewards, prize draws, the end-of-year cinema event and our new Friday Darts Challenge, all designed to encourage excellent attendance and punctuality. Please take a moment to look through the posters included in this newsletter for further details.

Finally, I would like to wish everyone a wonderful weekend and hope that families are able to enjoy the welcome spell of warm weather. As we move into the final weeks of the academic year, I would also like to take this opportunity to thank all parents, carers and families for the continued support they provide to both the school and their children. Your encouragement at home, commitment to good attendance, support with learning and partnership with staff make a significant difference to the success of our students. I would also like to thank our staff, who continue to work tirelessly to provide opportunities, guidance and support for every young person in our care. Together, we can ensure that the final weeks of the year are productive, enjoyable and successful for all members of our school community.

**Avoid  
open water**

Open water may be much colder and deeper than it appears.  
Most accidental drownings happen inland, not at the coast.  
Children and young men are more likely to accidentally drown.  
If a person is in trouble in the water, phone 999, roll over to float  
on their back and throw them a rope - **DO NOT** enter the water.

# Revision Skills

# MIND MAP

## Year 7 – Exam Revision Workshop

Last Monday all of Y7 took part in a revision workshop based on supporting all subjects but in particular core subjects. We want to thank all of Y7 for their mature hard working attitude. Please use the skills acquired to help your revision for next week.

## Inspiring the Future Careers Event

Year 9 students were given the opportunity to attend the Careers and Enterprise Company's annual Inspiring the Future careers fayre at Wolverhampton Racecourse. They were given time to explore the stands of providers and employers. Our students participated in challenges and gathered lots of careers information to take away with them.

Today saw the 100% Attendance Reward for Y7 which was some time on the Climbing Wall. Many more Y7 with good attendance spent some of P.5 on the Top Field playing games.

Well done Sam, first bullseye of the day.

Our DT department and students have been busy supporting our Reading initiative by building our very own library returns box. Our library space is developing into a favourite space in the school, all designed and led by our Reading ambassadors so they are very appreciative of the help. Thank you!

# Ellowes Hall Book Bank

*Can you help?*

Are you having a clear out? Do you have any suitable teen books lying about at home? Why not donate them to the Ellowes Hall library?

Please drop them off in reception or ask your child to drop them off in Mrs Jones' office.

Massive well done to our under 13 Cricketers, who put on a fine display in the Dudley schools semi final against a strong Beacon Hill side.

Roll on the final at Stourbridge CC next Tuesday.

Well done Lewis who has shown great resilience after being out injured for four months. He took part in the Stafford relays last Wednesday night where he was part of the team that took 2nd place overall & a silver medal. Then he completed the Gavin Tipper 5k charity race on the Thursday with another strong run...amazing.

# STOP PRESS

## Polite Notice to Parents and Carers

We kindly ask for your cooperation in helping to keep our school site safe and accessible for everyone at the end of the school day (3.15pm).

**Please do not bring vehicles beyond the first set of school entrance gates under any circumstances.** In addition, parking is **not permitted** in the area between the entrance gates and the access point to the staff car park. **This space must be kept completely clear at all times.**

These restrictions are in place to ensure the safety of pupils, staff, and visitors, and to maintain clear access for emergency vehicles. Vehicles in these areas create significant safety risks and obstruct essential access routes.

We appreciate that collection times can be busy, and we thank you for your understanding and cooperation in parking considerately in the surrounding area and respecting these rules.

Thank you for helping us maintain a safe environment for all members of our school community.

# Sparx

## Parent/Carer Guide

### How to log into Sparx to complete homework from home

Weekly homework will be set on the following days and then due on the same day the following week.

- Monday: Sparx Science
- Wednesday: Sparx Maths
- Thursday: Sparx Reader

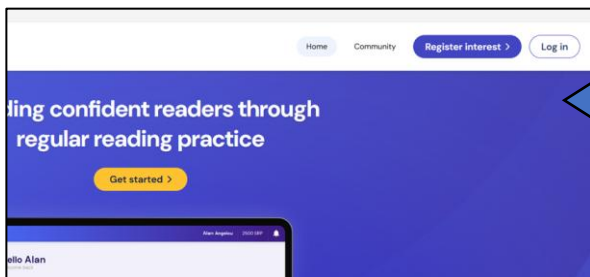

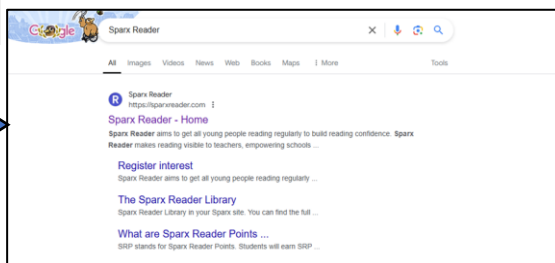

Students can log into Sparx through either [the link on their Arbor page](#) or through a search engine such as Google.

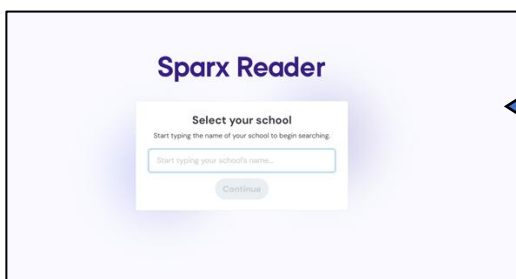

Subject	Homework set	Homework due in	Detention Night
Maths	Wednesday	Wednesday	Thursday
English	Thursday	Thursday	Friday
Science	Monday	Tuesday	Tuesday

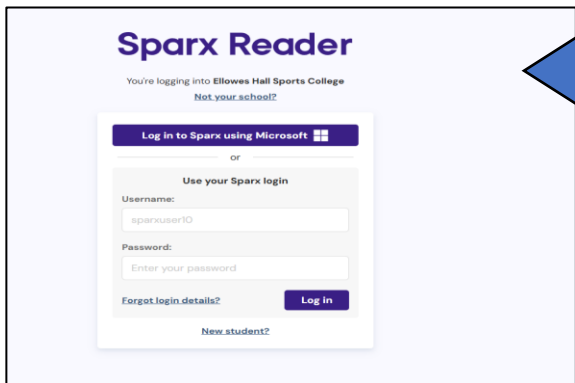

If accessing via Google, students will need to type Sparx Science/ Sparx Maths/ Sparx Reader into Google and select the first search result that appears.

Once they have clicked on either the link on Arbor or the search result on Google they need to click the white log in icon in the top right corner and then select student log in.

They will then be asked to select their school, which will appear as they start typing in Ellowes Hall Sports College

They can then click the purple box that says 'log in to Sparx using Microsoft' and then use their school email and password to log in. Their password is the same password that they use to log into any computer in school.

Any homework students have been set will appear. Students can continue to read on Sparx Reader even after their homework has been completed, and we would encourage them to, especially if they are really enjoying the book they have chosen.

## Carousel Homework for Geography and History

- One quiz per week per subject.
- Set and due Thursdays. Monday night detentions.
- Link set by Miss McCormack and Miss Perry to your email. Click this and login with your Microsoft email.
- You have to revise before you can take the quiz (say the answer to each flashcard aloud and then click 'show answer' to test yourself. Self-mark and then move on).
- Take the quiz and self-mark your answers. Be honest as your teacher can see!
